EDMONTON, ALBERTA.

CLINICS WILL BE PROVIDED TO INTERESTED COMMUNITIES

Requests will be taken for the presentation of clinics to be held in your town or for the surrounding area in the following athletic activities.

Approx.

Date	Clinic	Program Content
April - May	Baseball	Coaching, Umpiring
April - May	Softball	Coaching, Umpiring
May	Tennis	Beginning, Advanced

To stage a successful clinic, requests from communities must be made in writing and be in this office by March 1st, giving the following details:

1. Sponsoring and interested communities will be responsible for facilities and local advertising.
2. The sponsoring community should submit the name of one person responsible for arousing interest and carrying out administrative details.

3. Communities should provide assurance that at least three other communities will participate.
4. Minimum attendance at any one clinic should be 30 individuals.

DEPARTMENT INFORMATION

1. The fee per applicant is \$2.00.
2. Application forms will be forwarded by the department and distributed to the surrounding area.
3. The highest qualified instructors will be provided.
4. This branch reserves the right to place a clinic in a location that will serve the greatest number of interested communities.
5. The clinic will be of one or two day duration consisting of a Friday night and all day Saturday sessions.

Room 424, Legislative Building
EDMONTON, Alberta

SKATING CLINIC AT VEGREVILLE WELL RECEIVED

Although attendance was low, the Figure Skating Clinic held at Vegreville, January 21st was greeted with enthusiasm and keen interest. A total of 144 applicants attended the clinic, representing five communities throughout the Vegreville area.

The Professional Figure Skating instructors were Mr. Harry Nevard and Mr. Gordon Linney both from the Edmonton Figure Skating Club.

The clinic was held in the new Recreation Arena in Vegreville and was sponsored by the Recreation and Cultural Development Branch in co-operation with the Recreation Arena Board and

the Vegreville Chamber of Commerce who sponsored a lunch and provided a half time coffee break for the instructors and students.

Mr. Meakins, Supervisor of Athletics and Outdoor Education, Recreation and Cultural Development Branch expressed his pleasure in the clinic, and the very fine co-operation that was provided by the sponsoring organizations. Credit for the success of the clinic certainly should be given Mr. C. Chomik, Mr. Milner, Mr. Jack Spence and the representatives of the Vegreville Chamber of Commerce.

One of the major outcomes of the clinic is the planning for Figure Skating lessons to be started at the Vegreville Recreation Arena for this year.

It was pointed out by those who attended, that a clinic of this nature was badly needed in the Vegreville area and

RECREATION SCHOOL STAFF REQUIRED DURING SUMMER

The Department of the Provincial Secretary requires male and female staff members for the 1962 Recreation Leadership School, to be held July 9 to August 4, 1962.

Persons with university training and experience in recreation programming or teaching will be given preference.

Applicants must be willing to act as counsellors to students and should be prepared to teach students to give leadership in at least three of the following subject areas:

- Lecture courses in Recreation Leadership and Administration
 - Lecture courses in Anatomy and First Aid
 - Active and social games
 - Square and Round Dance
 - Social Dance
 - Community Singing
 - Gymnastics—beginning and advanced
 - Creative Drama
 - Administration, coaching and officiating of Team Sports, emphasizing Volleyball, Basketball and Minor games.
 - Quick Crafts
 - Fitness Exercises
 - Swimming (Red Cross Instructors' Course)
 - Crafts such as Ceramics, Batik, Copper Enamelling, Weaving
 - Individual Sports (emphasizing Archery, Track & Field, Badminton).
- Further information and application forms for staff positions may be obtained by writing to:
- Miss E. McFarland
Supervisor
Community Programs
424 Legislative Building
Edmonton, Alberta.

Final date for receipt of completed application forms—March 1, 1962.

Government Scholarships Assist Scores of Students

I. DRAMA

1. The scholarships are open to all Albertans working in the field of drama who have an adequate background, some indication of promise and are able to present a comprehensive idea of their future plans.
2. Three references must accompany all applications.
3. Only applicants considering entering a recognized drama school or university will be considered.
4. All applicants must be eighteen (18) years of age or over.
5. Acceptance of a scholarship implies an understanding of the candidate to return to Alberta should a suitable opportunity present itself.

Deadline for Completed Applications: March 15th, 1962.

II. ARTS AND CRAFTS SCHOLARSHIPS, 1962

The Government of Alberta is offering Scholarships in:

Visual Arts

Scholarships of \$100.00-\$400.00 will be awarded to promising students enrolled, or intending to enrol, in the Alberta College of Art, Calgary; the Department of Fine Arts, University of Alberta, Edmonton; or any other approved courses, art schools or universities of the student's choice.

A scholarship of \$100.00-\$400.00 will be awarded to a promising student enrolled, or intending to enrol, in the Faculty of Education, majoring in art, at the University of Alberta, Edmonton, or any other approved university.

Crafts

Scholarships of \$100.00-\$400.00 will be awarded to promising students enrolled, or intending to enrol, in the Alberta College of Art, Calgary; or any other approved course, institute or craft school.

Scholarships of \$100.00-\$300.00 will

be awarded to communities who have proven merit in the craft field.

Deadline for Individual's Completed Application Forms and Work is May 1, 1962.

Deadline for Communities' Completed Application Forms and Work is June 1, 1962.

III. LIBRARIANSHIP

Three scholarships up to \$500.00 each. Applicants must . . .

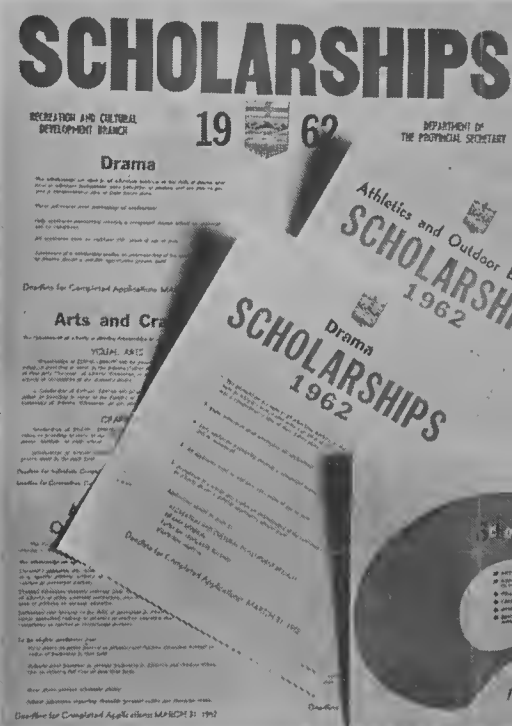

1. Have graduated from a University of recognized standing, having attained at least a Bachelor's degree.
NOTE—Students in their final year and who expect to graduate in May, 1962, are eligible to apply.
2. Have a genuine interest in books and people.
3. Preferably have had previous experience working in a library; this is required by the library schools.
4. Be residents of Alberta.
5. Agree to enter the library profession in Alberta if a suitable position is available.

Deadline for Completed Applications: May 21, 1962.

IV. MUSIC

1. The scholarships are open to all Albertans working in the field of music who have an adequate background, some indication of promise and are able to present a comprehensive idea of their future plans.
2. Applicants must intend studying at a recognized school of music, university, or with a recognized private music teacher.
3. All applicants must be eighteen years of age or over.
4. Acceptance of a scholarship implies an understanding that the candidate will return to Alberta should a suitable opportunity present itself.

Deadline for Completed Applications: March 31, 1962.

V. SCHOLARSHIPS FOR RECREATION ADMINISTRATION

Scholarships in amounts up to \$500.00 are available to persons presently employed in, or planning to enter the recreation profession.

Scholarships Are Open to:

1. University graduates who wish to take post-graduate training in a course that will increase their competency to organize and operate recreation programs.
2. High school graduates enrolling for a degree course in recreation.
3. Persons presently employed in recreation in Alberta on a full or part-time basis, who register in a course that will increase their competency to organize and operate recreation programs.
4. Students entering their graduating year in Physical Education, Arts and Science (Fine Arts, Psychology or Sociology) who intend to provide leadership in general recreation programming on either a full or part-time basis.

To Be Eligible, Candidates Must:

1. Have shown an active interest in Recreation through provision of leadership in that field.
2. Indicate their intention to enter or return to the recreation profession

SECOND TRAVELLING EXHIBIT VISITS MANY ALBERTA CENTRES

The Arts and Crafts Division, Recreation and Cultural Development Branch, again offered Travelling Art Exhibitions to the communities of Alberta. This is the second year of this project.

The art exhibitions were divided into two catalogues, one suited for adult viewing and the other for student, or children's viewing.

The adult exhibitions were loaned by the Camrose Art Club, Mr. Roy Stevenson of Calgary, Alberta College of Art, Banff School of Fine Arts and other numerous exhibition sources, all artists native to the province of Alberta. The children's exhibitions are by the courtesy of The Alberta College of Art, The Edmonton Art Gallery and The Calgary Allied Arts Council.

A deadline of November 1, 1961, was set for receipt of exhibition booking forms and, at present, a total of twenty-one exhibitions are circulating the province and will continue to do so until the end of May, 1962.

Ten adult art exhibitions have been requested by over fifty separate communities. These exhibitions will make over one hundred exhibition stops.

Eleven children's art exhibitions were requested by twenty-seven schools and communities and will have over sixty exhibition stops.

Art exhibitions are being sent to communities as far north as Yellowknife, N.W.T. and as far south as Cardston, Alberta.

Many requests for art exhibitions have been turned down because the booking forms were received after the deadline set, by which time schedules were already started. Most of the travelling exhibitions have full schedules and it has been impossible to work in any requests that arrived too late.

It appears that those exhibitions loaned by local art clubs and by art schools are the most popular and that Landscape is the favorite viewing subject matter.

The Arts and Crafts Division is trying to offer a variety of art work. From year to year the selection will change and emphasis will be placed on certain types of exhibitions, according to the needs and wishes of those requesting them.

We would appreciate receiving ideas on how to improve these exhibition programs and suggestions as to different, possible future exhibitions.

We wish to thank those communities who are taking part in the 1961-1962

Travelling Art Exhibition Program and for making it the success it has been to date.

HOCKEY HOLDS HIGH INTEREST FOR ALBERTANS

The Hockey Clinics staged in High Prairie, Westlock and Castor were termed a success by the Supervisor of Athletics and Outdoor Education. The interest was very high in every case as the area of Hockey Officiating and Hockey Coaching were very much needed in these districts.

The caliber of instructors was excellent as much was accomplished on the Friday night and all day Saturday clinics. The Hockey Coaching instructors included Coach Clare Drake, Head Coach, University of Alberta Golden Bears Hockey team and Mr. Brian McDonald, Head Coach of the University of Alberta Golden Bears Junior Hockey team.

The Hockey Officiating was handled by Mr. Ray Lawlor and Mr. Duchie Van Deelan of the Alberta Hockey Officials Association, Edmonton Branch.

The content of the program evolved around Coaching Techniques, Fundamentals of Hockey, Hockey Drills, Individual and Team Positional Play. The Hockey Officiating session included Rules and Regulations governing the game of hockey and clarification of penalties and playing rules of hockey.

All who attended these clinics were very much impressed with the high level of instruction and expressed the hope that a similar clinic of an advanced nature might be held for these areas next year. A total of 113 individuals attended the clinics from a total of 32 communities.

Special thanks should be given to the High Prairie Recreation Board and the High Prairie Home and School Association who hosted the High Prairie clinic. The Castor Recreation Board and the Castor Schools for the Castor Hockey Clinic and Mr. Warren Smith, member of the Provincial Recreation Board who requested the Westlock clinic, for the Pembina Valley Hockey Association.

Mr. John Meakins, Supervisor of Athletics and Outdoor Education wishes to express his sincere thanks to the above mentioned individuals and groups for the help and co-operation that was so ably given for the promotion of these clinics.

in Alberta on either a full or part-time basis.

3. Show above average scholastic ability.
4. Submit references regarding desirable personal habits and character traits.

Deadline for Completed Applications: March 31, 1962.

VI. SCHOLARSHIPS FOR ATHLETIC AND OUTDOOR EDUCATION

The Government of Alberta is offering scholarships up to \$500.00 to candidates wishing to further their education in the area of athletics or outdoor education.

The Scholarships Are Open to:

University graduates who wish to take specialized training or post-graduate work in a specific athletic activity or course, that will increase their competency as coaches or recreation workers.

Physical Education students entering their third or fourth year at the University of Alberta, or other approved institutions, who intend to provide leadership in the area of athletics or outdoor education.

Individuals now working in the field of recreation in Alberta who wish to receive highly specialized training in athletics or outdoor education that will increase their competency as coaches or recreation workers.

Physical Education Teachers To Form Specialist Council

The Alberta Teachers' Association, in an attempt to improve educational standards in Alberta, has provided teachers in the province with the opportunity of forming specialists' councils.

Teachers of Health and Physical Education will form a specialist council at an inaugural conference in Calgary on April 26 and 27, 1962. The objective of the Health and Physical Education Council will be to improve instruction in these areas and increase members' knowledge and understanding in these fields.

This council will undertake such projects as the publication of a Bulletin, periodic one day conferences at strategic locations in the province featuring programs of interest to the members, summer seminars of one or two weeks duration, and the sponsorship of research projects.

Membership in this council is open to

any member of the Alberta Teachers' Association or to any non-member of the Association who is covered by the provisions of the Teachers Retirement Fund Act, any certified teacher in a private school and any member of the staff of the University of Alberta or the Department of Education who has a special interest in the field of Health and/or Physical Education.

Members of the provisional executive who are responsible for planning the first inaugural conference feel that they have been most fortunate in obtaining as feature guest speaker Dr. Arthur H. Steinhaus, Professor of Physiology and Dean of George William's College, Chicago.

It will be interesting to note the impact of this specialist council in Alberta. Health educators and physical educators are expecting gratifying results.

NEW BANDS BEING FORMED AT TWO CENTRES

The Band movement in Alberta continues to expand. Two new bands are in the process of formation. Under the direction of Mr. Dick Christie, the Edson Band has begun weekly rehearsals. This band was formed as a direct result of last summer's successful "Edson Story". A Band was formed to provide the accompaniment for some of the musical numbers in the show. So much enthusiasm was shown that the band continued to meet. With the help of Mrs. Laura Mahon, the director has started classes

for beginners and we can expect to see a fine band appearing in concerts and parades around Edson.

Since the beginning of the year, organizational meetings have been held in Redwater. As a result of the interest shown, a band is about to be formed. We understand that there are almost 40 interested beginners. The local Lions Club have decided to sponsor the venture and Mr. Alex Chabas is in charge.

SKATING CLINIC

(Continued from front page)

it is hoped that the next year's clinic would be of a two day duration.

Program content of the clinic was the organization of a club, basic figures and turns, fundamentals of figure skating, free style and dancing.

FLIP OF THE FEZ TO...

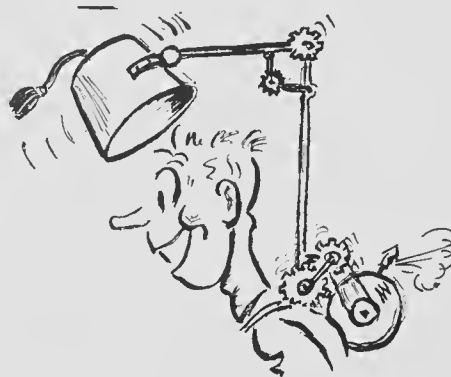

Dean Carriere (RLS '61) attending Royal Roads College.

Gordon Day (RLS '55) appointed Director of Physical Education for school in southern area of Foothills School Division.

Frank Kiyooka (1960 Recreation Scholarship winner) now back from Europe and teaching high school at Hinton.

Stan Floyd formerly Recreation Director at Beverly recently appointed Recreation Director at Camrose.

Hobert Clark appointed assistant Recreation Director at Jasper Place.

Bill Voss appointed Sports Director at McLennan. Plans call for him to work into the position of Recreation Director in the future.

Board Workshop At Banff School March 23 to 25

DR. E. J. TYLER

The Third Annual Workshop for Municipal Recreation Boards is scheduled for the Banff School of Fine Arts March 23 to March 25.

The weekend meeting designed to assist communities in the development of a recreation program and offer the opportunity for discussion of mutual problems is open to two delegates from each community.

Dr. E. J. Tyler, Professor of Social Psychology, Brandon College, will be feature speaker and discussion leader at the meeting. Staff members from the Alberta Recreation and Cultural Development Branch will also be on hand to provide information in group discussions.

Delegates to the workshop must be sponsored by the local recreation Board or the town council where no Board exists. They will be expected to report the results of the meeting to the local community.

Final registration date has been set at March 5 and all inquiries should be forwarded to Miss E. McFarland, Supervisor, Community Programs, 424 Legislative Building, Edmonton.
